Evaluations are a "closed evaluation", which means that players being evaluated for a Travel team must be preregistered and pre-pay the deposit of \$150; they are bound to PLSC at the time of registration and payment of the deposit fee. Players can expect to be placed on a team based on their evaluation; results of the evaluation will be communicated by e-mail. Goal keepers will be asked if they are trying out for Full or Part time goalie. If they are interested in being considered for field play, they must attend their age group tryout also. Team results will not be posted on web-site.

At certain age levels there are Select Teams. Select tryouts will be held at the same time as Travel tryouts. The Select Tryouts are an "open tryout", which means players that are trying out for just "Select Only" must pay a non-refundable tryout fee of \$50; they are not bound to PLSC until they accept an invitation after which they have 24 hours to register and pay the full PLSC fee. Failure to register and pay within 24 hours can result in a revocation of the invitation.
